Greetings,

In line with Article (63) of the Company's Articles of Association, we present the following report about the activities and accounts of the Company:

We have reviewed the basis on which the Company's business has been conducted, the financial results, the investments and the products it has engaged in during the financial year ending on December 31, 2017, samples of the Takaful (Insurance) policies entered into by the Company and the new contracts and agreements signed by the Company and other activities in order to make the opinion on whether the Company is compliant with the Islamic provisions and principles, the advisory opinions, resolutions and directives issued by us.

Ensuring the companies compliance with the Islamic provisions and principles is the responsibility of the management that is in charge of the implementation of the Company activities in accordance with its Articles of Association and in line with Islamic provisions and principles. Our responsibility is limited to making an independent Shariah opinion based on our audit of the documents and to report accordingly.

We have audited the Company's financial results and its financial structure by auditing the balance sheet, income statement and statement of revenues and expenses. We have also audited the Company investments, as well as the details of the Takaful policies dealt with in different types of Takaful insurance. We identified updates on re-insurance or re-Takaful, and the authorities with whom such agreements were concluded.

We were provided with the adequate information and interpretations to give reasonable assurance that the Company did not violate the Islamic provisions and principles in general and within the activities we examined.

Our Opinion:

1. The Company adhered in its financial structure in separating between the account of the policy holders and the shareholders' account, which is fundamental in Takaful insurance. The Company prepared its financial statements for the financial year ending on December 31, 2017 in accordance with the applicable model of the Shariah Standards according to which the Company should prepare its financial statements (under the prevailing accounting regulations) a model that expresses reality and nature of the Takaful business and its financial structure.
2. The Company only withheld from the policyholders the prescribed administration charges or less in addition to a common portion of the profit of this account being Modaraba. We have requested the Company to disclose the same at its policy documents kept in headquarters, branches and website for the policyholders as it is a Shariah requirement for Wakala and Modaraba. Such declaration should be made clear to the customers.
3. The Company provided Qard Hasan to tackle the interim deficit in Takaful portfolio. The Company has recovered partially the Qard Hasan provided in previous years.
4. The products that the Company has offered and the investment from the policyholder fund that the Company made are acceptable in light of Shariah principles and our audit.
5. The Company confirmed that they entered into re-insurance agreements in accordance with our guidelines. We asked to minimize the re-insurance with traditional companies as possible, with priority given to the mandatory and optional re-insurance with the Islamic companies based on the Islamic insurance.
6. We have reviewed the samples of Takaful policy documents used by the Company and we found that they are in compliance with the Shariah principles.
7. The Board has reviewed and approved the Zakat calculated and paid for 2016. The Board hereby announces that for 2017 the amount of Zakat due for each share is AED 0.00725.
8. The Board emphasizes that the Company shall arrange training for the employees on Takaful insurance and its Shariah principles, with a view to enhance the business and to achieve the Company's objectives in compliance with the Islamic provisions, the Shariah Board Members are willing to provide training to the employees in this regard.
